Varshaphala from Lal Kitab

Sun

Sun is in auspicious position in the Varshafala in your chart. You will remain hail and hearty this year. You will get positive results if you are searching for a government job this year. In the same way if you want to get success in some work related to the government then this is a good year to try. Financially, you will get economic profit this year, and there will be no shortage of wealth.

Sun is situated in the fourth house in the Varshafala. If you are trying for a government job, then there are full chances of your getting a job this year. This year, you are also getting the benefit of a vehicle. So, it is possible that you will purchase a vehicle this year.

Mercury

The Mercury is situated in auspicious condition in your chart. The Mercury will yield you auspicious result this year. Because of which you will make a lot of progress in the commercial sector. In this situation, either you trade alone or in partnership, you will get profit. If you are an agent, even then also this year is benevolent for you. There will be development in the mental capacity of the students and the result of the examination will be favourable. Because of the Mercury in the auspicious condition in your chart, the condition of your mother's sister, father's sister, your sister and daughter will remain happy and comfortable.

The Mercury is situated in the first house in your chart. This year you will have a good business, and you will earn a lot of profit in business. But for it you will have to do hard struggle in the starting of the year. Economically, this year will remain auspicious for you. There will be no shortage of wealth. Your domestic life will also remain comfortable. You will get love and affection from your wife. Take care of your health, because you may suffer from health related problem.

Venus

The Venus is situated in the Varashfala in your chart. If you are related to art, music, fashion, or film industry, then this year can be especially beneficial to you. If you are of the age of marriage then you can get married. If you are married then there will remain an atmosphere of love in your household. You will have sweet relations with your wife. This year, if you start a new job then it will be beneficial to you. If you start your business in partnership with a lady then it will be beneficial.

The Venus is situated in the first house in the Varashfala in your chart. This year you will have sweet relations with your wife. And your wife will affect your ideas. And if you have a love affair with someone then your relations will become strong this year. This year the trade of the items related to art, literature, clothes, jewelery and cosmetics will be beneficial to you. There will be new sources of income and your economic condition will become strong.

Mars

The Mars is situated in auspicious condition in the Varashfala in your chart. Your mind will remain full of courage and self confidence this year. Because of which you will get success in your works. Your economic condition will remain strong. If you are working in police or army, then you will remain full of happiness this year. In the same way, if you are a doctor, or if you are doing the job of a mechanic, then you will get economic profit. This year is auspicious for your relatives and friends. You will get full co - operation from them.

The Mars is situated in the ninth house in your chart. This year is lucky for you. You will get divine blessing, because of which whatever work you undertake, you will get success in that. If you are doing trade related to travels, then this year is especially beneficial for you. You will get a lot of benefit from this profession. In the same way if you are doing some job, then there will be an increment in your income this year.

Jupiter

The Jupiter is situated in the Varashfala in your chart. This year is auspicious for you for the attainment of education and knowledge. Your mind will be diverted towards spiritualism, and you will get the blessings of God. This year will also remain auspicious for you from commercial and business point of view. You will get profit of wealth, and this year will pass in comfort and luxury. You will get respect and honour from the society because of your work, dealing and knowledge. The work of this auspicious condition will also remain on your children. Your child will remain healthy and they will get success in their works.

The Jupiter is situated in the twelfth house in your chart. You will make a number of commercial trips this year. Your trips will be auspicious and beneficial to you. If you are in job then you will be transferred and you will attain some high post. This year will remain good from economic point of view. You will get economic profit and your money will be spent in auspicious deeds.

Saturn

The Saturn is in inauspicious condition in the Varashfala in your chart. This year will remain full of struggle for you. From business point of view as well, you will have to do a lot of struggle to achieve success. If you are in job then there is a chance in job this year. In this inauspicious condition, you will not remain stable anywhere. There will be rush and flow in your life. There can be lack in the cooperation of friends. Or you can remain perturbed because of your friends. You may have to face problem from economic point of view. Take care of your health as you may get ill this year.

The Saturn is situated in the fourth house in your chart. This year you may remain perturbed owing to the health of your mother. There can be tense situation in your house as well. Because of which you may feel mentally disturbed. Because of the arrival of the Saturn in the inauspicious condition there will be a problem in getting the cooperation of the people. If you have your own vehicle then drive it very carefully as there can be a loss to the vehicle.

Moon

The Moon is inauspiciously situated in the Varshfala in your chart. There are less chances of getting desired benefit from trade and business this year. In this situation, if you are to go on commercial trips, then travel in a well – planned way, otherwise, there can be a problem in the journey. And the fruit of the trip can also be opposite. In this situation, you may remain mentally disturbed. Your sister, daughter and wife may remain ill, or they may face some or the other kind of problem.

The Moon is situated in the sixth house in your chart. This year, there will be circumstances, when you will have to spend unnecessarily. Because of the Moon coming in the inauspicious condition, your mother may remain ill. Or there can be a situation of strain in your relations with your mother.

Remedy

Do the following measures to increase the auspiciousness and decrease the inauspiciousness of Moon, this year.

1. The effect of inauspicious Moon will be decreased if you touch the feet of ladies of the age of your mother and get their blessings.
2. Keep one corner in your house, the floor of which is sandy. You will get auspicious result of Moon because of this.
3. Offer due welcome to the guests visiting your house. Do not let them go unattended, hungry and thirsty.
4. To save yourself from the divine catastrophe, donate money in the marriage of someone in the house of your in -laws.
5. Donate the items of Moon, like – rice, silver, white cloth, etc. for the increment of wealth and property. Donate a green cloth in the prayers festival.

Rahu

The Rahu is situated in the inauspicious condition in the Varashfala in your chart. This year, the circumstances are likely to remain opposite to you. Because of which your opponents will try to cause harm to you in your job or business. In this situation, you may face economic loss. If you are planning to work on a new plan this year then postpone it, because there are less chances of the success of the plan. In this inauspicious position, try to maintain yourself happy, otherwise you may suffer mentally.

Rahu is situated in the first house in the Varshafala in your chart. There can be lack of stability in your life this year. You may have to do a lot of trips for commercial purposes. And it is also possible that you may not get desired profit from these journeys. In this inauspicious condition, your mind may motivate you to earn money through unfair means. It may try to divert you to intoxicant products. In this situation try to maintain your heart otherwise people of low understanding may cause problems for you.

Remedy

1. Drop coconut in the flowing water of a river.
2. Wash one kg. Wheatseeds in milk and drop them in the flowing water of a river.
3. Take bath in milk for 43 days.
4. Drop 400gm coins of Raang in the flowing water of a river.
5. Drop seven types of corn to the birds at dawn time.

Ketu

The Ketu is inauspiciously situated in the Varashfala in your chart. Do not start any new plan this year, because there can be obstacles in the success of the plan, and because of which you may have to face economic loss. This year can remain inauspicious for you from commercial point of view. If you are in job then there can be problem at your work place. Because of this inauspicious situation, your mind will not rest in religious deeds, and your commercial trips will not bring you desired profits. Because of the arrival of the Ketu in the third house in your chart, you will have to pay special attention towards your children, otherwise your children may remain unhealthy. In the same way, with the arrival of the Ketu in the inauspicious house, your maternal uncle may have to face some problems.

The Ketu is situated in the seventh house in your chart. Commercially, this year can be full of difficulties for you. Because of which, the situation of profit in trade will be weak for you. If you serve on job, then you may have to work under the level of post you already acquired, or there can be a change in your job. If you work in partnership, then there can be a dispute between the partners. In this situation, your economic condition may remain weak. There can be a tense atmosphere in your household. Because of which you may remain mentally disturbed.

Remedy

1. Your economic condition will be improved by chewing your thumb by dipping it in milk.
2. Rear a dog in your house and look after him very well.
3. Fill a silver pot with honey and bury it in a forest. This will make an improvement in the situation of the children.
4. Have control on your mind and senses.
5. Keep a golden brisk in your house, this will avoid disease.
