## Marriage Match Score Analysis

### Varna

The boy's varan is Brahmin and the girl comes under Kshatriya. This combination indicates that the boy could be able to plan well regarding the domestic affairs, and in turn the girl will feel happy to carry out these pursuits nicely. She will be hard working and laborious. The boy may have all praise for her sincerity towards the domestic endeavors. She will also appreciate his keenness in general affairs. A good deal of understanding is indicated by this varan combination, which basically represents the inner urge to take part in the general endeavors of the domestic life. Therefore, both matched well as far as varan compatibility concerned.

### Vashya

The boy's vashya is Keet and the girl comes under Chatushpad vashya. This combination indicates a sensitive, psychic and emotional rapport between the natives. They will encourage each other to express sympathy and compassion towards them in need. There will be mutual sensitivity and tenderness, unless this is contradicted by other factors in the comparison. The boy's behavior will be quite cordial towards her. In turn, she will also extend her whole heartedly support towards him.

### Tara

The boy's tara is Vadh and the girl comes under Ksheme tara. This combination often presents communication problems. The girl responds on a rational level, while the boy reacts on an emotional level, consequently, then find it difficult to understand each other. The boy can seem nagging and overly critical or hit-picking to the girl, while the boy may seem moody, lazy, overly emotional and irrational to the girl. In the midst of adversities, the girl may turn out with tremendous courage, while the boy may find it difficult to cope with. If overall compatibility exists, there is no harm to go for this alliance.

### Yoni Kuta

The boy's yoni is Mrig and the girl comes under Gaj yoni. He is a positive and innovative thinker and a captivating performer. She is very personable and well-mannered. The natives will develop a perfect wavelength of each other's moods and feelings. They will be able to solve problems or obstacles, which may come into their life. This combination is going to prove very auspicious as far as finances are concerned. On physical plane, their mutual understanding of each other's need and urge will enable them to enjoy the sensual bliss nicely.

### Graha Maitri

The boy and the girl both comes under Mars lordship. This is one of the best combination as far as grah maitry is concerned. The natives will get on very well with each other. They will encourage each other to take the initiatives. Both will develop a very good rapport and understanding of each other's moods and feelings. In the midst of adversities, they will put on their best to face the situations boldly. This combination does increase the overall compatibility in the charts.

### Gana

The boy's gan is Dev and the girl comes under Manushya gan. This is one of the best combination as far as gan compatibility is concerned. The natives help increase each other's enthusiasm and impetus to constructive action. The girl can help the boy to implement religious, educational, social, legal or philosophical goals. The boy can help the girl to find constructive outlets for the expression of energy through action. They will encourage each other to uphold their shared goals and principles and they can become crusaders for worth while causes. They boost each other's energy, determination to accomplish what they set out to do.

### Rasi

The boy's bhakoot rasi is Vrishchika and the girl comes under Mesh bhakoot. This is not a good combination as far as bhakoot compatibility is concerned. Important differences are indicated in the natives' approach to personal action, professional ambition and business affairs. Any attempts to

order each other around or coerce each other, will result in conflicts and resentment. The natives are apt to dare or goad each other to ill-considered, impulsive acts, out bursts of tempers and in extreme cases, physical combat can occur with this combination.

### **Nadi**

The boy and the girl both comes under Madhya nadi. This is not a good combination as far as nadi compatibility is concerned. There could be a danger of ill-health to one or both of the natives. They will find it difficult to adjust with each other's moods and feelings. At times, both parties may feel, that they are poles apart as far as common thinking is concerned. An element of distrust may also prevailed in their relationships.
