The Effects of Saturns' Transit And Remedies

You and Saturn's Sadesati

Every living human being must undergo the period of Saturn's Sadesati. This seven-and-half year's period will arrive in your life too. It has a scary reputation, but don't be alarmed because it is not necessary that this period will be bad for you. You will also get many opportunities and have positive experiences during this period.

During this transit Saturn will present many challenges to you and you will face many problems. Keep working towards your goal and face your challenges with a tough attitude. You will be able to overcome your problems because Saturn respects those who work hard.

During these seven and half years you will also finish many pending tasks. There will be important lessons to be learnt that will help you throughout your life.

The Phases of Saturn's Sadesati

It is a common belief that during Saturn's Sadesati one will only have problems and trouble, but this is not the truth. Sadesati will give you sweet-and-sour experiences depending on your Rashi (Moonsign) but the period will not totally bad or good. Your life will have both happy and sad moments though there will be more challenges than usual. These challenges will force you to re-invent yourself and develop new skills to overcome them.

You will have your hands full with problems to solve and may be so busy with your life that you may neglect your health making your situation even more troublesome. Keep a watch on your health and if you see any danger signs, take corrective action fast. You may feel that you are not getting enough returns for your efforts during the Sadesati. This is natural and to be expected. Don't be disheartened by temporary failure, instead seek solace in spirituality and motivational books to overcome disappointment.

If you are facing an extraordinary amount of problems during the Sadesati you can do remedies for the Sadesati to lessen your troubles and enhance the positive effects.
